

## PIXIE

### How to make the Finger Puppets

1. Colour in the characters.
2. Cut them out following the dotted lines. Ask a grown up if you need help.
3. Use sticky tape to join the tabs to make a ring. Make sure it fits your finger.

Now you are ready to enter the fairy realm! What adventures will Pixie and Trixi-Belle get up to? Where will your imagination take you?

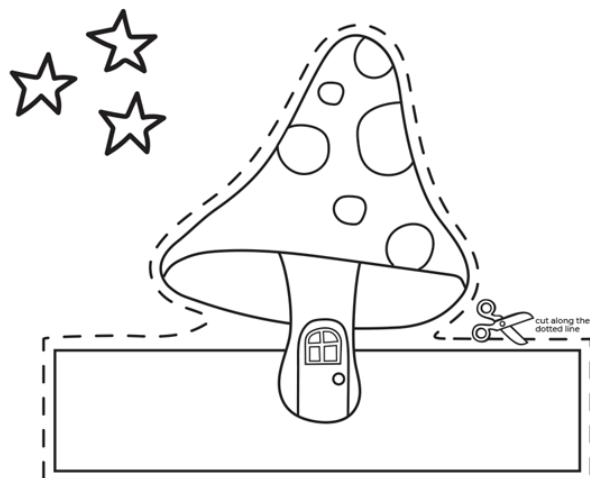

## MUSHROOM HOUSE

## TRIXI-BELLE

The Fairy Garden is a land of things that are hard to believe — but they're all true! Like the magical fairies who can fly and cast spells, and the wonderful mushroom houses where they all have lovely tea parties and dream fantastic dreams.
